8.30 am- 4.30 pm

- Two options:
- Half-day (AM – PM)
 - Whole-day

OUR VALUES

The school culture is inspired by the most important pedagogic experiences of the Italian tradition that is based on continuous research and innovation in psychology and neuroscience for its pedagogical-didactical approach.

Our didactic is inspired by an educational project that revolves around inclusiveness and differences in which kids can express themselves through knowledge and "one hundred languages" in learning environments where philosophy, architecture and cultures are all on a constant dialogue.

EXTRA-CURRICULAR ACTIVITIES

The School offers a variety of extra-curricular physical, cultural and educational activities: soccer courses in cooperation with Inter Football Academy, Music (keyboard, drum, guitar, djembe), Kung Fu, art classes and drama classes

The first school in Hong Kong to collaborate directly with Reggio Children.

The Italian International Kindergarten will develop its teaching method around the core values of the Reggio Emilia Approach and will be the first school in Hong Kong to collaborate directly with Reggio Children, with international recognition in pedagogic excellence allows them to inspire schools in 110 countries worldwide.
